BUSINESS

NILFISK Business - for large cleaning needs

FOR A CLEAN SHOP OR OFFICE

Designed for large cleaning jobs, the NILFISK Business vacuum cleaner can cope with even "heavy" jobs - such as vacuuming the shop or office. The all-round vac has no fancy frills and is very easy to use. It is bred for a long life of efficient cleaning - you can rely on NILFISK Business for many years to come.

SUPER EFFICIENT

Strong motor and powerful suction ensure a perfect cleaning result. And the vac is easy to use, having a large cleaning radius of 13 metre and large capacity self-sealing dust bag.

THE PROFESSIONAL BAGLESS

The NILFISK Business can run with or without dust bag. The large main filter has a long life time as you can vacuum clean it with the vacuum cleaner itself. The super efficient HEPA H13 filter leaves the exhaust air completely clean.

Low weight of only 6.3kg makes it easy to use

HEPA H13 filter leaves the exhaust air completely clean

14/9 litre dust bag capacity - means fewer bag changes. Or it can run without dust bag!

10 metre long cable gives you an extra long cleaning radius

Height adjustable telescopic tube, robust and durable

Low sound level - you can listen to the radio while vacuum cleaning!

Clearly marked start/stop button - just turn on the vacuum cleaner and start cleaning

Robust and durable construction - just goes on and on
